APRIL

Creative Communities: Sustainable Solutions to Social Inclusion,
15-17 April 2009 **IUEU Centre sponsored conference in co-operation with the Centre for Public Culture and Ideas, Griffith University**

A three-day international conference featuring contributions from academic researchers and practitioners from the Pacific Rim, the European Union, Asia and North America. The conference will provide a forum for the sharing of ideas and knowledge about the value of creativity as a means of engendering social inclusion and will allow academic researchers, practitioners and organisations to explore aspects of commonality in their pursuits with the possibility of collaboration both within Australia and in international contexts.

Topics for discussion at the conference will include: Festival and carnivals as spaces for multi-culturalism and cosmopolitanism; Youth culture, cosmopolitanism, citizenship and social engagement; Community arts-based projects, creativity and cultural expression; Street art and civic participation; Creative projects and the prevention of juvenile crime and delinquency; Creativity, social inclusion and the role of education; The internet and communities of creative interest; Creativity, social inclusion and DiY initiatives.
